Sir:

A Request for Continued Examination was filed in the Patent Office yesterday, June 18, 2007, in application number 10/623,059. For the reasons that are still not understood, the RCE form for that application accidentally reverted to the previous application information stored in the RCE form (that was application number 11/004,360). As a result, the RCE requested filed for application 10/623,059 contained bibliographical information of that unrelated case 11/004,360. We noticed that inadvertent error today and we are faxing the correct RCE request for case 10/623,059 that was prepared for filing on June 18, 2007. Please enter the correct RCE form in the application 10/623,059.

Respectfully submitted,

Houston Eliseeva LLP
